The Honorable Rosa DeLauro  
Ranking Member  
House Appropriations Committee  
U.S. House of Representatives  
Washington, DC 20515

Dear Chair Cole and Ranking Member DeLauro:

I am requesting funding for the Calais Working Waterfront Pier in Fiscal Year 2027. The entity to receive funding for this project is the City of Calais, located at 11 Church Street, Calais, Maine 04619. The funding would be used to replace and extend the waterfront pier which is on the tidal section of the river because high tides have caused much damage.

The project is an appropriate use of taxpayer funds because Manset Pier supports a majority of water-dependent commercial operations as well as shoreside support infrastructure and services available in town.

This project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Jared F. Golden".
