The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee
U.S. House of Representatives
Washington, DC 20515

Dear Chair Cole and Ranking Member DeLauro:

I am requesting funding for Technology and Equipment for the Orono Police Department in Fiscal Year 2027. The entity to receive funding for this project is the Orono Police Department, located at 59 Main St, Orono, ME 04473. The funding would be used to modernize the technology and equipment within the new police station to improve response times, increase operational efficiency, enhance officer safety, and strengthen communication capabilities. This project is an appropriate use of taxpayer funding because it ensures the Police Department can meet growing service demands while continuing to provide effective, reliable, and community-focused public safety.

This project has a federal nexus because the funding provided is for purposes authorized by section 1701(b)(9) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(9)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Jared F. Golden".
